CALL FOR PAPERS (1 Scopus indexed proceeding + Journal Special Issue)
Contributions are invited on the topics within the conference scope of energy, environment and chemical engineering fields. All accepted papers will be presented orally or by poster, and included in IOP conference proceedings. All authors are invited to submit a full paper to our partner journals.

About ESChE 2019
Energy Security and Chemical Engineering Congress (ESChE) 2019 is organized by Centre of Excellence for Advanced Research in Fluid Flow (CARIFF), Universiti Malaysia Pahang. ESChE 2019 with the theme “Empowering Growth in Sustainable Energy” aims to provide a platform to discuss ideas and latest research findings especially in Energy, Environment and Chemical Engineering fields.

Conference scope
The congress scope is as follows but not limited.

ENERGY SECURITY & SUSTAINABILITY
- Fuel cell
- Biofuels
- Oil and gas
- Hydrogen energy
- Renewable energy
- Water management technology

TECHNOLOGY
- Advanced material & civil engineering
- Additive manufacturing
- Computational fluid dynamics
- Nanotechnology
- Heat & mass transfer
- Biosensor & electrical engineering
- Reaction engineering & catalysis
- Food science & technology
- Pharmaceutical & drug delivery
- Membrane & other separation technology
- Natural products & industrial crops
- Safety & health management
- Corrosion science
- Finite element analysis
- Modelling and simulation

Confirmed Internationally eminent speakers
- Prof. Suttichai Assabumrungrat, Thailand
- Prof. Tran Dinh Phong, Vietnam
- Asst. Prof. T. M. Sridhar, India
- Prof. Abdul Latif Ahmad, Malaysia
- Prof. Tauqiq Yap Yun Hin, Malaysia

Journal partners
- International journal of hydrogen energy (Q1) IF: 4.2
- Waste and Biomass Valorization IF 1.874
- CHIMIE IF 1.87
- Chemical Engineering Communications IF: 1.282
- Conference proceedings partner: Materials Science and Engineering (IOP Conference Series) (SCOPUS INDEXED)

FEES
- Student: ₹ 20,000 Paper only(not attending): ₹ 10,000
- Normal delegate: ₹ 27,000
- Group discount available.

Important Dates
- Description: Date
- Abstract submission close: 31st December 2018
- Abstract acceptance: 15th January 2019
- Full paper submission: 25th February 2019
- Early bird registration open: 1st January 2019
- Early bird registration closed: 28th February 2019
- Registration deadline: 15th April 2019
- ESChE 2019: 17-19 July 2019

Contact Us
- Chair: Assoc. Prof. Dr. Jolius Gim bun
- Centre of Excellence for Advanced Research in Fluid Flow (CARIFF), Univ. Malaysia Pahang, Malaysia.
- Tel: +609-549 3232 Email: esche@ump.edu.my
- India partner: Asst. Prof. Dr. T.M. Sridhar
- Head (vc) - Department of Analytical Chemistry, University of Madras (Guindy Campus)
